Foodgrains for APL and BPL card holders

*433. SHRI MATILAL SARKAR: Will the Minister of CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION be pleased to state:

(a) the quantity of foodgrains distributed to each APL and BPL family through fair price shops and the price thereof;

(b) whether it is a fact that Government have decided to reduce the quantity for APL families very recently;

(c) if so, the reasons therefor and the reactions from the State Governments thereto; and

(d) whether Government are going to re-instate the scale reduced for those APL families which actually cling to the side of BPL families?

THE MINISTER OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION (SHRI SHARAD PAWAR): (a) At present foodgrains are allocated by the Central Government to the State and UT Governments at the rate of 35 kgs per month per household for BPL and AAY families. For APL families the quantity allocated depends upon the availability of foodgrains in the Central pool. The allocation of foodgrains under TPDS is made on the basis of number of households estimated on the basis of poverty estimate of Planning Commission for 1993-1994 projected on the population estimate of Registrar General Census as on 01.03.2000 or the number of Nation Cards issued by the State/UT Governments whichever is less.

Accordingly 11.52 crore APL families, 6.52 crore BPL families (including 2.50 crore AAY families) were to be covered under TPDS. However, as per information available for March end, 2007, the State/UT Governments have issued Ration Cards to 12.92 crore APL families, 7.66 crore other BPL families and 2.38 crore AAY families and distribute foodgrains to them.

The Scale of Issue of foodgrains under TPDS at Fair Price Shops varies from State/UT to State/UT depending upon the number of Ration Cards issued by them and policy decisions of State/UT Governments.

The present Central Issue Prices of foodgrains supplied under TPDS are as under:—

(Rs. per kg.)

APL		BPL		AAY	
Wheat	Rice (Gr.A)	Wheat	Rice (Common/Gr.A)	Wheat	Rice (Common/Gr.A)
6.10	8.30	4.15	5.65	2.00	3.00

For North Eastern and Hilly Area States, the price of Common Grade rice is less by Rs. 35 per quintal.

However, the end retail price of foodgrains at FPS level is fixed by the States/UTs after taking into account margins for FPS, transportation charges, local levies, taxes, etc. This varies from State/UT to State/UT due to geographical conditions and State taxation rates. The details of issue prices at Fair Price Shops in States/UTs is annexed as Statement-I *(See* below).

(b) to (d) No, Sir. Due to supply constraints last year, the allocation of wheat for APL category was rationalized based on the offtake of previous three years. Allocation for rice for APL category has been rationalized from April, 2007 based on maximum monthly offtake during last three years. States/UTs have requested for increase in current APL allocation and to restore the levels of earlier years. Increase in APL allocation is possible only when supply position of wheat improves.

Statement-I

Issue prices at fair price shops in States/UTs

(As reported by each State/UT from time to time)

(Rs. Per Kg.)
